INSURANCE AGREEMENT

We will gladly file a claim for your services on your behalf as a courtesy and accept assignment of benefit (payment to be sent to the practice) from your insurance company to supplement out of pocket expenses. However, it is important to understand insurance is a contract between you, your employer, and the insurance company. We are not a participant in some of these contracts making our practice **out of network**.
Also, it is your responsibility to notify us of any changes or cancellations in your insurance prior to the start of your appointment.
We recommend treatment based on individual needs and not insurance benefits. We provide you an **estimate** of insurance benefits based on the information available. We **cannot guarantee** the amount your insurance will pay/cover due to many limitations and exclusions in your policy. **Any balance not paid by your insurance is still your responsibility.** If you do not approve of this policy, we are happy to assist you in filing your own insurance claim.

☐ **I understand and acknowledge Kingwood Dental Specialists is out of network with some insurance companies and cannot guarantee the amount my insurance will pay/cover due to many limitations and exclusions in my policy.**
